

Mastering the Fire Service Assessment Center

4-Day Workshop

Based on the Best-Selling Book

Mastering the Fire Service Assessment Center
By Fire Engineering

- Participate in emergency simulations, oral presentations, visual resumes, promotional interviews, counseling sessions, video counseling, in-baskets, and supervisory exercises.
- Discover the proper mentality for the test, including how to shed baggage at the door.
- Focus on becoming position oriented vs. test oriented.
- Learn about the 27 Knowledge, Skills and Abilities that span the dimensions of leadership, management and emergency operations.
- Assess and be assessed using scoring criteria utilized in today's assessment centers.
- Practice exercise-specific tools and avoid candidate pitfalls.
- * Includes best-selling book published by **Fire Engineering**.

"Mastering the Fire Service Assessment Center seminar was a key factor in my successful promotion to Captain. Out of 173 candidates interviewed, I finished number 3. Number 1 and 2 also took the seminar. Thanks Anthony for all your help, God Bless."

Bill - Los Angeles City FD

"Myself and a colleague scored #1 and #2 on a Captain's promotional exam. This was an extremely competitive process in the Santa Monica Fire Department and the training that we received clearly ranked us above the rest. Thanks for helping me to achieve my dream of becoming a Fire Captain!"

Johnny - Santa Monica FD

"Your insight, candor and exceptional instruction eliminated the mystery and barriers that had held me back in the past. I came out #2 on our recent Captain's list and finished with a simulator score of 97.5%."

Dennis - Torrance FD

Anthony Kastros has 29 years of fire service experience and is a battalion chief with the Sacramento Metro Fire District. He is author of the Fire Engineering series, Mastering the Fire Service Assessment Center, Mastering Fireground Command – Calm the Chaos, and Mastering Unified Command – From Hometown to Homeland. He was the FDIC World 2013 Keynote Speaker and has taught thousands of firefighters across America in officer development, leadership, tactics and command.

Stewart Roth has 34 years of fire service experience and is a division chief with Monterey Fire Department. In 2005 Stew was chosen as "Training Officer of the Year" by the CSFA. Stew has been an assessor, administrator, and designer of countless assessment centers.
