FIREFIGHTER 1 ACADEMY

17 UNITS

This course provides students with the State Fire Marshal's Office educational requirements for certification as a Firefighter 1.

Prerequisites: *CPR card, successful EMT course completion (EMMS 170 at MPC); CPAT physical agility test; physical examination including spirometry test. (Available from your personal physician.)*

MPC offers two Academies per calendar year. Each Academy is 17 weeks in length, one beginning in February and ending in June and the other beginning in August and ending in December.

Classes meet Saturdays and Sundays from 5:30am to 7:30am for physical training and 8am to 5pm (or longer) for classroom and manipulative training.

Night class is from 6pm to 10pm on Tuesday and Thursdays.

Students will be required to attend classes from 8am to 5pm Monday – Friday for one week each for Wildland, Rescue Systems I and Hazardous Materials First Responder Operational and Decontamination.

Costs: MPC tuition, plus additional costs for the Academy materials. Please call for details.

Process for signing up for the Academy:

Applicant names are taken on a first come - first served basis. Preference is given to students who have NREMT certification.

Registration for the Academy complete interest form at:
<http://www.mpc.edu/academics/campus-centers/public-safety-training-center-pstc-/fire-protection-technology/firefighter-1-academy-interest-form>

Should you have questions about the Firefighter Academy, please call (831) 646-4240
