(IRS ADV.) INLAND RESCUE SWIMMER ADVANCED COURSE

In conjunction with River Sea Rescue, Benicia Fire Department is proud to host Inland Rescue Swimmer Advanced. The swimmer will spend time learning the techniques and strategies for search and rescue of victims in a slow moving water environment such as large rivers or bays. The management of large events such as plane crashes, boating and commuter incidents will also be discussed. The swimmer will continue to improve safety and survivability of the responder with orientation to helicopter operations to include emergency egress drills and the use of spare air devices.

What to Bring:	Wetsuit or drysuit, footwear (water shoes or boots), gloves, PFD (any type), helmet, mask, snorkel, fins, swimsuit and extra warm clothes (loaner masks, snorkels, and fins are available, but we must have a head count prior to start of the course)
