

KENWOOD MOBILE RADIO TRAINING CLASS

Session 1: February 26, 2013 (0800-1700)
Session 2: February 27, 2013 (0800-1700)

(Same course offered both days)

**Hosted by the Roseville Fire Department
and the
Western Placer County Fire Chief's Association**

This course is designed for agency personnel responsible for any aspect of programming, installing, or training of Kenwood TK-790 or 5710 mobile radios. The course is taught by Kenwood USA instructors.

This course is provided at no cost to Placer County agency personnel under the Homeland Security Grant. First priority will be given to Placer County agency personnel, then outside agencies will be accommodated on a space-available basis.

The radio models and topics to be covered:

TK-790 Mobiles

KPG-44D software programming
Narrow band programming

TK-5710 Mobiles

KPG-95D software programming
Narrow band programming

Option installations and software configuration
