831-915-4797

This **one-day** course will show you how to drive off road safely without getting stuck or damaging your vehicle. The approximately 50 mile driving course will take you through terrain you will likely encounter while driving fire apparatus or vehicles off road. This course will emphasize the limits of the equipment and how to negotiate different types of terrain and obstacles safely. There will be a short morning class presentation with most of the day driving.

Designed For:

Personnel who must drive firefighting apparatus or vehicles off road.

Equipment and Materials Needed:

- Type III Engine / Off Road Capable Command / Utility Vehicle
 - Appropriate Wildland PPE
 - Lunch and Water / Beverages
- (Pack additional food and snacks as this course may extend later into the evening)

This class is sponsored by the Monterey County Fire Training Officers Association in partnership with the Fort Hunter-Liggett Fire Department. Class registrations will be first come, first served. To register for this class, complete the information below and email to: mcftoa@gmail.com
