NWCG S-290
Intermediate Fire Behavior
March 14 & 15 and 21 & 22

S-290 is a course designed to meet the training requirements to work in the ICS Operations Section. This is a "skill" course that is designed to instruct prospective fireline supervisors in wildland fire behavior for effective and safe fire management operations. The Course consists of a pre-course package (with a pre-course test), twelve formal classroom units and a **final exam**. The course will be presented over 2 weekends. **S-130 & S-190 are prerequisites for this class.**

Note: This is an Inter-agency class, space is limited, enrollment will be on a first come basis. The student selection process will follow a very stringent time line; Failure to meet this time line will result in the student being removed from this class.

Pre-course work will be distributed once enrollment and prerequisites are confirmed. Pre-course package must be turned into the SCFD training office by 1700 Hrs. on March 9, 2015.

Tuition: FSTOSC - \$20.00, Outside agencies - \$80.00. If minimum class size of 15 is not reached, class will be canceled.
