2012 Membership Invoice

The 2010 calendar year and the lingering effects of the downturn in the economy is sure to challenge the Monterey County fire services abilities to provide fire and emergency services to our citizens and stakeholders. The Monterey County Fire Chiefs Association provides an avenue through which new ideas can be shared and regional networking can occur. And this is how our agencies will weather this storm. The only way this can happen, however, is with the support of its members.

Increasing membership is one of many goals of the association. Recruitment of up and coming members of the fire service is key. As the fire service leadership in Monterey County changes, it is our responsibility to leave our successors prepared to face whatever the future brings. We encourage you to enroll your future fire service leaders and get them involved. The larger the enrollment, the stronger and more productive the organization will be.

The following is a description of the various enrollment levels:

ACTIVE MEMBERSHIP - \$75.00

Active members are any chief officer (Fire Chief, Assistant Chief, Deputy Chief, Battalion Chief, Fire Marshal, or equivalent) in any paid or volunteer organized public, private, or Federal fire department or district in Monterey County. This includes members of the Monterey County Office of Emergency Services.

The \$75.00 dues shall be for the agency and the Fire Chief or Director of the agency.

ADDITIONAL ACTIVE MEMBERS - \$25.00 Each

Each additional member of an agency meeting the criteria for an Active Membership shall pay dues of \$25.00 per member.

ASSOCIATE MEMBERSHIP - \$35.00 Each

Associate members include managers of Federal, State, City, and District agencies who manage emergency related services. This includes employees of private companies whose sole duties relate to fire prevention, fire suppression, or emergency medical care and transport who do not qualify for active membership status. Associate members shall be approved by the Executive Board of the MCFCA.

To apply, please complete the attached membership application. Include a check or money order payable to the MCFCA and mail to:
