

MONTEREY COUNTY FIRE OPERATIONS MANUAL

Chapter 10

UTILIZATION OF T-CARDS

PURPOSE

This policy establishes uniform guidelines for the use of tracking cards, hereby known as T-Cards, during mutual aid responses.

This policy also applies to all agencies in Monterey County who are signee of the Monterey County Fire Mutual Aid Plan.

It will be the responsibility of all fire agency personnel in Monterey County to be familiar with this policy and adhere to it.

GENERAL INFORMATION

All mutual aid resources within Monterey County will have a "T" Card (Standard ICS Form 219) located in the passenger's compartment of the vehicle.

The T-Card will be submitted at the time of check-in to the incident. Check-in locations may be, but not limited to, Staging Area, Incident Command Post, Incident Base, Active Division or Group. Equipment responding on the first alarm/initial attack will leave their cards in the vehicle until collected by the IC or his/her designee. Paid call/volunteer or overhead personnel will submit a completed white card to a check-in location upon arrival at the incident. This will allow for proper tracking and accountability of personnel. Resources responding as part of a strike team or task force will submit their card to the Strike Team/Task Force Leader at time of assembly. The Strike Team/Task Force Leader will prepare a cover card for the entire strike team/task force in addition to a white card for the leader.

MONTEREY COUNTY FIRE OPERATIONS MANUAL

The color of the T-Cards will be as follows.

Engine	- Rose
Water Tender	- Tan
Truck	- Tan
Utility/Haz Mat	- Tan
Air Cascade	- Tan
Personnel	- White
