

# TRAINING INFORMATION BULLETIN

## Governor's Office of Emergency Services (Cal OES)

### California Specialized Training Institute (CSTI) Training Opportunities

MONTHLY TRAINING UP- DATE / SUMMARY

January, 2019

UPDATED

Bulletin No. 01-2019

This bulletin is part of a comprehensive preparedness training program focused on: unified response, providing easier access to information for Federal, State, Tribal and local preparedness training, strengthening preparedness, enhancing effectiveness, improving response levels, and providing viable solutions throughout California's response community. For any additional questions, correction and/or to add additional training opportunities to this bulletin please contact:

**State Training Officer:** Kelly Rogers, 916-826-8117, Email: [kelly.rogers@caloes.ca.gov](mailto:kelly.rogers@caloes.ca.gov)

**Mobile Training:** Tracy Stocks, 916-845-8487, Email: [tracy.stocks@caloes.ca.gov](mailto:tracy.stocks@caloes.ca.gov)

Reasonable accommodations for people with disabilities are available upon request. Please make your request as early as possible, as last minute requests will be accepted, but may be impossible to fill. For all requests, contact the POC for the particular course offering.

Integrated Emergency Management Course (IEMCs) are exercise-based training workshops that place a jurisdiction's emergency operations center (EOC) personnel in realistic crisis situations within a structured learning environment. The jurisdiction selects the hazard(s) and the Core Capabilities it wishes to include in both the plenary and exercise components of the course to reflect the jurisdiction's hazards or events, EOC type, and organizations included in emergency plans. Data reported in the applicable State Preparedness Report and the Threat and Hazard Identification and Risk Assessment should be used as a basis for the request.</p> <p>A community-specific IEMC builds awareness and skills needed to develop/refine and implement a jurisdiction's policies, plans, procedures, and mutual aid agreements in an EOC environment. Skilled EMI curriculum and exercise specialists conduct extensive virtual planning with jurisdictional staff to collect local information, identify critical infrastructure, study transportation systems, and analyze current response plans. From this information, exercises are built to access the jurisdiction's planned approach to specific hazards and to surface issues that IEMC participants may need to re-evaluate and develop corrective action plans. IEMCs are Homeland Security Exercise and Evaluation Program (HSEEP) compliant and designed for personnel who fill specific emergency support positions within their community. Each participant is assigned a role similar to their real-life position.</p> <p>The IEMC is designed for personnel who perform specific emergency support responsibilities within their community. A sample of appropriate attendees include:</p> <ul style="list-style-type: none"> <li>• Chief elected and appointed officials from local, regional, State, and Federal emergency management agencies;</li> <li>• Senior level personnel from response agencies and organizations (e.g., law enforcement, fire, emergency medical services, and public health);</li> <li>• Managers from volunteer organizations active in disasters (VOADs); and,</li> <li>• Representatives from private organizations which participate in local, regional, and State responses.</li> </ul> <p><b>For a complete list of recommended attendees refer to the IEMC website at: <a href="https://training.fema.gov/iemcpos.aspx">https://training.fema.gov/iemcpos.aspx</a></b></p>

**STAS:** Prevention through detection and deterrence is the cornerstone of California's Homeland Security strategy. Prevention has at its core cooperation; sharing between agencies and across the full range of public safety disciplines. Our state prevention strategy (State Threat Assessment System-STAS) has four Regional Threat Assessment Centers (RTACs) collocated with the four FBI Field offices in California, minimizing reporting conflicts, providing statewide coverage and facilitating coordination with our Federal partners. The RTACs maintain a regional threat assessment focus for their area of responsibility and directly connect to each other and the State Terrorism Assessment Center in Sacramento to collaborate on strategic products and situational awareness.

**State Training Officer:** Kelly Rogers, 916-826-8117, Email: [kelly.rogers@caloes.ca.gov](mailto:kelly.rogers@caloes.ca.gov)
