

VENTURA COUNTY FIRE DEPARTMENT REGIONAL TRAINING CENTER

SPONSORING:

S-203

Introduction to Incident Information

March 25-29, 2019

Location: Ventura County Fire Regional Training Center
102A Durley Ave, Camarillo, CA 93010
Classroom 6

Time: 0800 – 1700

Course Signup: Ventura County Fire Department Training Bureau
805-389-9727 or contact Michelle Smith at
michelleb.smith@ventura.org

Cost: \$ 150.00 (checks to “VCFD”)

Additional: All attendees must be covered and sponsored by their department’s
Workers Compensation Insurance

Several options for dining and lodging are available in the immediate
vicinity.

Student Wear: Department uniform or casual business attire is appropriate.
Personnel wearing shorts, flip-flops, or t-shirts with derogatory
statements will not be permitted into the classroom.

This course meets the training requirement for the position of Field Information
Officer (PIOF). See ICS 310-1 document for prerequisites necessary prior to
qualification.

The course is presented as a fast paced 5 day incident simulation, building each
day and culminating with a final scenario and a written exam.

Target Audience: Personnel who seek qualification as a PIOF or who have an
interest in gaining experience regarding incident information operations, media
and community relations, and the ICS system.
