

The Bay Area Urban Areas Security Initiative's Regional Training & Exercise Program is pleased to announce the following course is now available for registration. Agencies/departments who reside in the twelve county Bay Area UASI region are eligible to attend this course at no cost. Backfill and overtime for this course is not available.

Title:

Incident Command System 300 (MGT-904)

Description:

Enhance your Incident Command skills, with a special focus on new concepts of the Incident Command System (ICS). The training and resources provided in this course will assist personnel who require advanced application of the ICS. The course will also benefit any person who has a responsibility to function in a command post managing an expanding incident. You will participate in group activities that introduce the development of the Incident Action Plan (IAP) and demonstrate the interactions between the Command and General Staff sections of the ICS.

Target Audience: Emergency Management, Emergency Medical Services, Fire Service, Governmental Administrative, Law Enforcement, Health Care, Public Health, Public Safety Communications, Citizen/Community Volunteer, Security and Safety.

Prerequisites:

ICS Forms Review (MGT-347) is highly recommended and is a companion course on day 1 in the a.m. This requires separate registration.
