

**MONTEREY PENINSULA COLLEGE
PUBLIC SAFETY TRAINING CENTER**

FIREFIGHTER I ACADEMY

FPTC 105 A/B

Course: The academy is two courses (FPTC 105A & 105B) taken concurrently. The program is designed to provide the student with the academic and manipulative skills required for certification as a Firefighter I through the California State Fire Marshal's Office. Firefighter I Academy requires significant commitment in time and dedication to complete. It requires both academic and physical skills in addition to extra motivation to endure the intensive schedule.

Prerequisites: CPR card, successful EMT course completion (EMT I is available through MPC); CPAT physical ability test; physical examination including spirometry test. NREMT certification and FPTC 101 (Intro to Basic Fire Academy) is recommended but not required.

Classes meet Saturdays and Sundays from 6:00am to 8:00am for physical training and 8am to 5pm (or longer) for classroom and manipulative training. Night class is from 6pm to 10pm on Tuesday and Thursdays.

Students will be required to attend classes from 8am to 5pm Monday – Friday for one week each for **Wildland, Rescue Systems I Hazardous Materials First Responder Operational and Decontamination**. Students must participate in skills practicing days for midterm and finals.

MPC offers two academies per calendar year (Spring and Fall semester.) Each Academy is 17 weeks in length.

Cost: MPC tuition, plus additional costs for the Academy materials. Please call for details.

Process for signing up for the Academy:

Applicant names are taken on a first come - first served basis. For more information and to be placed on notification list, complete interest form at: <http://www.mpc.edu/fire-interest-form>

Should you have questions about the Firefighter Academy, please call (831) 646-4240.

2642 Colonel Durham St., Seaside, CA 93955 Phone: (831) 646-4240
