

Elite Command Training – 2022

Executive Fire Officer Series

Elite Command Training Instructor:

Deputy Fire Chief Mike
Bryant (ret.) – County of Los
Angeles Fire Department

Chief Bryant's experience and pragmatic style of instruction provides the adult learners with the confidence to effectively navigate the many challenges a chief fire officer will face in their day-to-day duties.

Learn from a fire executive who has served over 5 million residents in one of the most diverse and dynamic counties in the nation.

It is NOT worth your time taking the Executive Fire Officer series from “small town” chief fire officers who spent most of their career hopscotching from one department to the other?
