

Target Audience: This course is designed for FS - Fire Service personnel

The Bay Area Urban Areas Security Initiative's Bay Area Training and Exercise Program would like to inform you the following course is still available for registration. Agencies/departments who reside in the twelve county Bay Area UASI region are eligible to attend this course at no cost. Backfill and overtime for this course is not available.

Course Name

OPEN WATER RESCUE BOAT OPERATOR – SMALL VESSEL (UP TO 18')

Course Description

This course provides classroom instruction and practical application to develop competency for open-water rescue boat operations. The course is designed specifically for open-water environments and is not appropriate for river, flood, or surf environments. By the end of this course, the student will be able to demonstrate, through activities and final exam, an understanding of the duties, responsibilities, and capabilities of operating an open water rescue small vessel boat up to 18' in length.

State Fire Training certificate will be issued after completion of the course.

Date/Time/Location

May 30 - June 2, 2022 - 0900-1700 /
9812 Bigge Ave, Oakland CA 94503

Target Disciplines

FS - Fire Service

How to Register

<https://www.batep.org>

Attendee Cost

\$0—course fee is paid for by the Department of Homeland Security Urban Areas Security Initiative Grant Program.

Course Registration Cancellation Policy

If you need to cancel your course registration for any reason, please do so no later than 48 hours prior to the course commencement by logging into your BATEP user account and unregistering yourself or by emailing your cancellation request to: support@batep.org. If a student does not unregister and fails to attend a course, the student will be marked as a non-attendance and will be blocked from registering for courses for a minimum of six months and may be removed from any upcoming courses the student is registered for.
