 Safety Training For Industrial  
 Workers And First Responders  
 State Fire Marshal's Certifications

2022 Bldg & Fire Code Update  
 1 Full Day—Egress Chapter 10

\$200 per Class  
 \$550 for all 3  
**CEUs Provided**

## COURSE DESCRIPTION

Kevin has extensive experience in the development of fire safety, building safety and hazardous materials regulations. He has developed and presented many seminars on a variety of technical subjects including means of egress, high-piled combustible storage, hazardous materials, and plan review and inspection practices. Before that, he was Deputy Chief for the Kern County Fire Department, California where he worked for 33 years. Tuesday will cover building code changes. Wednesday will be Egress all day. Thursday will be fire code changes
