California Specialized Training Institute COVID-19 Message

CSTI's infection prevention protocols have been modified.

In accordance with current CDPH policy and the February 2022 California [SMARTER](#) Plan, face coverings are not required but are strongly recommended in indoor settings. Local health officers or host agencies may impose stricter face covering measures. CSTI continues to offer rapid antigen testing at all in-person classes, and we provide face coverings and hand sanitizer at all class sites.

<p>STAS: Prevention through detection and deterrence is the cornerstone of California's Homeland Security strategy. Prevention has at its core cooperation; sharing between agencies and across the full range of public safety disciplines.</p>	<p>Our state prevention strategy (State Threat Assessment System-STAS) has four Regional Threat Assessment Centers (RTACs) collocated with the four FBI Field offices in California, minimizing reporting conflicts, providing statewide coverage and facilitating coordination with our Federal partners.</p>	<p>The RTACs maintain a regional threat assessment focus for their area of responsibility and directly connect to each other and the State Terrorism Assessment Center in Sacramento to collaborate on strategic products and situational awareness.</p>

Reasonable accommodations for people with disabilities are available upon request. Please make your request as early as possible, as last-minute requests will be accepted, but may be impossible to fill. For all requests, contact the POC for the particular course offering.
