

THE MONTEREY FIRE DEPARTMENT & MCFTOA ARE PROUD TO HOST
**FIREFIGHTING OPERATIONS IN HIGH-RISE
AND STAND PIPE EQUIPPED BUILDINGS**

PRESENTED BY ASSISTANT CHIEF DAVID MCGRAIL, DENVER FIRE DEPARTMENT

This one-day seminar is designed to provide chief officers, company officers, and firefighters a solid foundation to combat a high rise fire while managing the risk of firefighters. Leveraging his 41-years of experience, Assistant Chief McGrail delves into critical aspects like firefighting mindset, standpipe system review, engine company operations, and truck company functions. He outlines essential tools, techniques, and procedures for successful operation while utilizing the incident command system.
