

Prometheus Fire Consulting LLC is pleased to offer:

## CA-219, Wildland Firefighting - Firing Operations

This course provides information and develops skills for those who may be called upon to plan and/or implement a firing operation on wildland fires or prescribed burns. This course contains a mix of online and instructor-led training including live fire exercises. Students will be engaged in wildland firefighting and firing operations. Students are required to satisfactorily complete the online training portion of the course and pre-course quizzes prior to taking the instructor-led training.

**Dates: June 9 - 12, 2025 (June 13 will be a contingency day)**

**0800 – 1800 each day. Live fire days may go longer.**

Attendance on all days is mandatory. There will be no provision for make-up. Per State Fire Training regulations, students may miss up to 4 hours of class.

Pre-requisites: Firefighter Type 1 (FFT1) or higher certification and S-290, Intermediate Wildland Fire Behavior (classroom only – **online S-290 is not acceptable**). This course also requires approximately 8 hours of **mandatory** pre-course work.
