COURSE DESCRIPTION

This course provides an awareness of fireline safety to hired vendors who plan to engage in wildland fire suppression and other incident support activities. Topics include current safety training, relevant policy and procedures, how to recognize and mitigate risk, and maintain safe and effective practices while working under agency supervision on an incident. Upon successful completion of training, participants will receive a course completion certificate valid for one (1) year from date of issue

This course meets the requirements of RT-130 and fire refresher training for the US Forest Service and Cal Fire.
