

# GMR LEARNING PRESENTS

## Delivering Difficult News: Best Practices in Death Notification

This presentation provides healthcare professionals with practical strategies and compassionate approaches for delivering death notifications. It explores evidence-based communication techniques, emotional preparedness, and cultural sensitivity to support both families and clinical staff during one of the most challenging moments in care. Participants will gain tools to navigate these conversations with empathy, clarity, and professionalism.

November 11th 2025

1:30 pm EST, 12:30 pm CST, 11:30 am MST, 10:30 am PST
