

# S-290 Intermediate Wildland Fire Behavior

**Dates:** December 7 through December 10, 2026 - 32 hours

**Time:** 9:00 a.m. – 5:30 p.m.

**Location:** [Marina Municipal Airport - 781 Neeson Rd, Marina, CA 93933](#) – Hosted by City of Marina Fire Dept

**Instructor:** Woody Bouska

**Fees:** \$450 - Payable to Sure-Fire Training Inc.  
Students will receive a certificate from California State Fire Training upon successful completion of course.

**Class Description:** This in person classroom-based course is designed to prepare the prospective fireline supervisor to undertake safe and effective fire management operations. It is the second course in a series that collectively serves to develop fire behavior prediction knowledge and skills. It builds upon the basics in S-190, but with more detailed information about characteristics and interactions of the wildland fire environment (fuels, weather and topography) that affect wildland fire behavior for safety purposes. This course is required of those planning to work as one of the Single Resource Bosses or a Fire Effects Monitor on wildfires, fire use fires, and prescribed fires. This class is enhanced with several practical exercises and case study reviews.

**Prerequisites:** S-190 Introduction to Wildland Fire Behavior
